

3 October 2018

Dear Parent/Carer

**Year 11 Information Evening for GCSE English, Maths and Science**

I would like to invite you to a Year 11 Information Evening for GCSE mathematics, GCSE English, GCSE science and examination prep, which will enable us to help you support your son/daughter through the final months and weeks of their GCSE Course. **This is more relevant than ever due to the fact that we have now successfully been through most of the new specifications and want to share with you the key strategies to prepare students.** This event will take place on **Tuesday 16<sup>th</sup> October 2018 from 5:30pm – 7:00pm.** We are delighted to say that our directors of mathematics, English and science will also be available on the evening to offer expert advice and guidance.

We would like to ensure that your son/daughter has the best preparation possible this year so they can achieve or surpass their target grade. Therefore, the evening has been specifically designed for the parents/carers of all students. We will give guidance and provide information about how to support, encourage and monitor your son/daughter's progress throughout the course and especially the revision periods. We will also provide information and advice on a range revision support resources to help at home but there will be an additional information evening to specifically focus on revision later in the year.

We would like to begin by inviting you to join us for tea & coffee at 5:30pm. This will then be followed by presentations, commencing at 6:00pm and then the opportunity to talk to English, mathematics and science teachers should you wish. I do hope you will be able to join us with your son/daughter for this essential evening of information. To help with the planning can you please return the slip below to Student Services Reception **by Wednesday 10<sup>th</sup> October 2018.**

Yours faithfully

**Mr S Roberts**  
**Principal**
