Update regarding Free School Meals

Our families eligible for Free School Meals (FSM) have now received e-vouchers, via a provider named WONDE, which has enabled families to continue to purchase food from a supermarket of their choice.

To avoid any disruption to the process that our families are now familiar with we will continue to use WONDE for e-vouchers and we will keep you updated if anything changes in relation to this.

The Department for Education has now confirmed a higher rate of £3.00 per day for FSMs during term time. We're determined to support our families as much as possible, so we will continue to pay the rate of £2.30 per day over the Easter period and then we will update the e-vouchers to the new rate of £3.00 a day from the first day of next term (Monday 20 April).

I hope this explains how the e-vouchers will work over the next couple of weeks and then moving forward from the start of the new term.

We will continue to support you with any queries you may have regarding this matter, which can be raised via enquiries@newbold.outwood.com

I hope that all of our students, parents and carers continue to stay safe and well during these unprecedented times.

Yours sincerely
