

Further Education College

You have selected the college route. These challenges will take you through a standard college journey to reflect what you might encounter.

These challenges encourage you to push yourself more so than on previous stages. Please spend the right amount of time completing these challenges, remember there are prizes to be won!

Sixth Form

The next portion of this epic quest is to delve into the world of sixth form. So why chose this option over FE college?

If your current school has a sixth form you may feel more comfortable choosing to study in a surrounding that you are used to. There is the added bonus of being familiar with your teachers, friends, resources and expectations. Whatever the reasons, you have chosen wisely, let the challenges commence!

Start Stage 3 here

Your first challenge is to identify your most suitable pathway(s). Follow the link below to identify the two challenges you must complete to become 'Independent Me'

www.bit.ly/Challenge1flowchart

University

Welcome to the university route! By selecting this challenge, you will be taking part in activities which will give you a feel for what it's really like being at university! University students are expected to be more independent whilst still having access to lots of support and resources. These challenges will help conclude your Independent Me project and show you what it really means to be independent!

Apprenticeships

On this pathway you will be experiencing life as an apprentice. Apprenticeships can now be offered at Higher and Degree level in a range of different sectors, which provides a new and exciting way to gain a university-level qualification. These challenges will help you to get thinking about whether this exciting pathway is one you might consider for yourself in the future!

SUMMARY TASK: Once you have finished your two sets of pathway challenges from above, we ask you to complete the summary challenge by clicking this link: www.bit.ly/FinalStage3

The summary task allows you to put yourself in the shoes of future recruiters, and also gives details of how to send us evidence of your work.

Have you completed all tasks?

Scan the QR code or visit the link to complete your final submission form and be in the competition to win a share of £250 Amazon vouchers!
